I \_\_\_\_\_ authorize the performance of the following procedures:  
Dental Propy: Includes 1/2 day hospitalization, anesthesia, antibiotic injection.

Rabies and Bordetella vaccines are required. I authorize VMAC to give vaccines needed. \_\_\_\_\_

Bloodwork is strongly recommended before sedating to ensure there are no internal problems:  
Ages 0-7 yrs (Chem 10) \$110.00 Yes \_\_\_\_\_ No \_\_\_\_\_ Ages over 7 yrs (Chem 17) \$155.00 Yes \_\_\_\_\_ No \_\_\_\_\_

If further problems are detected while my pet is under anesthesia:

\_\_\_\_\_ 1. I authorize the extraction of loose or infected teeth if recommended by the doctor.  
I understand there will be additional charge for extractions; Minor- \$39.50 Major-\$85.00

\_\_\_\_\_ I understand that if there are any teeth extracted that my pet will be sent home with pain  
Medication. The cost of medication will be in addition to the cost of the dental cleaning.

\_\_\_\_\_ Do only what I have authorized. I understand my pet will have to undergo another  
Anesthetic episode to complete the dental treatment.

\_\_\_\_\_ In an emergency: If VetMed Animal Clinic is unable to contact me, veterinary services will be provided  
As necessary for the wellbeing of my pet. I will be responsible for any charges that may incurred.

\_\_\_\_\_ This office promotes a fleas/tick free environment. If fleas are noted on the initial exam of the patient  
admitted to the Hospital a cap star will be given. This will be at an additional cost of \$13.00.
